All softbaits available in Black, June Bug, Green Pumpkin, Watermelon & White (Glow in the Dark)

### 4" GRUB

With a ribbed body for an increased profile and texture that fish can't resist, the ADRENALIN Grub displaces a large amount of water, creating a disturbance under water that attracts bass from great distances. Add the strong vibration from the large tail and the shrimp impregnated body and you get a soft bait that bass just can't resist. For the best results fish it Texas, Mojo or Carolina rigged. It can also be used as a trailer bait.

**Black**

---

### 4" DABBLER

The ADRENALIN Dabblers is very effective and moves with ease in and around all structure. A great bait to use when trying to locate fish, targeting schooling fish or to just fish around structure. The jointed mid-section allows this bait to be fished really slow and still get the desired tail action, or fish it faster for a great side to side kick action. This extremely versatile bait, impregnated with shrimp scent, can be rigged on a weighted swimbait hook, weightless, Texas, Carolina or as a trailer on a swim jig.

### 6" WILD STICK

A stick bait that can be fished weightless, wacky or on a Texas rig. The ADRENALIN Wild Stick features a ribbed body that sends out vibrations through the water and move with the slightest rod movement. Impregnated with shrimp scent that makes fish hold on for longer.

**Green Pumpkin**

---

### 5" FLUKE

With a solid tail and life like movements created by the soft supple body, the ADRENALIN Fluke will fool the most finicky fish. The bait is also impregnated with a shrimp scent that makes fish hold on for longer. Rig it which ever way you want, weightless, Texas, Carolina or Mojo.

### 4" ZOMBIE

The ADRENALIN Zombie with its tantalizing arm and leg action, is so versatile that it can be fished in any way imaginable. With small, thin arms that twitch with the slightest of rod movements, deadstick this bait to fool the most lethargic bass. For maximum underwater commotion fish it faster and see the arms, resistance wings and legs all come into action at once. It's also a great flipping bait or excellent as a trailer bait on any type of jig.

Excellent on its own, rigged Texas, Mojo or Carolina.

### 5" SMASHER

The ADRENALIN SMASHER is a very effective bait to use for most saltwater species but especially kob. The jointed mid-section allows this bait to be fished really slow and still get the desired tail action, or fish it faster for a great side to side kick action. This extremely versatile bait, impregnated with real shrimp scent, is best rigged on a jighead.
